

What Others Say

It has been my pleasure to know Jim, Linda and Molly Doss these past 10+ years.

In the name of Jesus, they have housed, clothed, fed, nursed back to health and mentored the people of Tecate through their house building program, day care facilities and medical clinic.

Jeff Reed, Outreach Leader
YWAM, Chico, Calif.

*"Let us not love with word or with tongue,
but in deed and truth." 1 John 3:18*

The partnership our church has had over the last four years with H.I.S. Ministries has been extraordinary! It has been a "hand in glove" fit since day one. Teaming with Jim, Linda and Molly has been a great mission-trip experience for our team of adults and teens. H.I.S. Ministries is dedicated to making your time a Christ-centered, action-packed learning experience. They are sold-out for Jesus and the people they serve. H.I.S. Ministries has bent-over-backwards to make our mission trips a truly rewarding experience.

The La Casa Program

Put Your Christianity into Action Today!

Just an hour's drive from San Diego lies the border town of Tecate, Mexico. Situated in the rolling hills of the high desert live some of the nations' poorest. Trying to carve a living from

the earth by making bricks from the local clay, the people here cannot even afford decent shelter and

food, often living in homes made of bits and pieces of old plywood, tin, and tar paper.

With your help, a family can have something only dreamed of – a new home – clean, dry, and weather tight. All it takes is three days of your time and a small financial commitment. What better way to share the love of Christ than showing a poor Mexican family that they are not forgotten, that someone cares.

You will not only change a life for someone else, but you too will be changed by this mission experience. Put your Christianity into action today!

What You'll Do

Building a La Casa is both challenging and rewarding. It's not too hard to build the 16 x 20 foot home. We will provide any necessary instruction needed. You will need to raise the funds (currently \$3,500) and put together the details of your trip, i.e. transportation, etc. You will also have to provide your own tools. A list of recommended items will be sent.

What We'll Do

We will walk you through your project from registration, to fund raising, to completion. Upon receipt of your deposit we pick the recipient family and will pour the slab for the home. The materials will be on site for your arrival. We will also provide any instruction needed to complete your project. Meals can be provided for an extra charge. There is a \$2 per person, per night fee.

At your request, we will also provide you with mission's training classes in Servanthood, Cross Cultural Ministry, and Missionary Myths. A more in-depth missions training camp is available if so desired.

La Casa Registration Form

Yes, I want to put my Christianity into action!

- Enclosed is our deposit of \$500. Please call to confirm our reservation.
- Enclosed is our payment in full. Please call to set up our trip.
- Please call me. I've got questions. The best time to call is: _____
- Please send me information on Sus Angelitos day care and your child sponsorship program.
